

# THE HERALD.

SPENCER COOPER. : : : Editor.

HAZEL GREEN, KY.

THURSDAY, Feb. 11, 1904.

Our Candidate for President,

WM. RANDOLPH HEARST,  
OF NEW YORK.

The idea that any man reared in Lexington, "the Athens of the West," would stoop so low as to cast a slur upon a young lady seems to us an absurdity. Indeed, we cannot conceive that one of Vine street's vilest could be guilty of such an indignity. But that one of the elite of that educational center, a student in the greatest seat of learning in the State, did so bewman himself, is now an item of public scandal. Miss Hargis, a daughter of Judge James Hargis, of Jackson, a student of the A. and M. College, of which also was the flunky who flaunted in her face the exclamation, "Look out, she's from the mountains; you might get hurt; she's from Bloody Breathitt," and similar taunts. Whatever the father may have been guilty, there is no excuse earthly that his daughter should be taunted with such an insult, and when one considers the educational advantages of Milward, the young man who insulted Miss Hargis, and then calmly views the environment of the young lady insulted, language is inadequate to do the subject justice, but we rise to remark that notwithstanding the record of Breathitt county, the insult of Miss Hargis by young Milward is the most damnable dirty outrage that has ever darkened the escutcheon of the proud old State, and the young man should be expelled and published as a dirty blackguard.

Because we are mountaineers is no good cause why we should be snubbed by blue-grass people, even though they are the salt of that section.

## Every Movement Hurts

When you have rheumatism, muscles are stiff and sore and joints are painful. Hood's Sarsaparilla goes right to the spot in this disease, neutralizes the acidity of the blood and radically cures. Accept no substitute.

A MEASURE outrageous to our citizens and a deliberate slap in the face to each sober man in Kentucky, has been introduced in the Legislature, and we are astonished to note bids fair to be passed. We speak regarding a bill creating a new Judicial District composed of the counties of Breathitt, Knott, Magoffin and Wolfe. Every county mentioned, except Knott, belongs to the 23d, in which Judge Robert Riddell was recently elected, and we say without fear of contradiction his selection for the high position was the overwhelming determination of a long oppressed people to put upon the bench a man who would stamp out crimes,

deal out justice regardless of rings or schemes. Such is the man who has just entered upon his office and has held his court only, first in Wolfe and last in Magoffin so far. In our county subterfuges for continuances did not work—criminals to the number of six were sent to the pen; equity and ordinary cases were tried with such justice and rapidity that justified the expectation and hopes of our people. If the Legislature will have the wisdom to let this judge serve the people who chose him—and we demand it—the cant of tricksters who claim the dockets are overcrowded will be proved false and once more law and order be firmly established. As to Wolfe county, our citizenship virtually as a unit enter their solemn protest against any measure legislating them out of the service of Judge Riddell, and appeal to the members of the General Assembly not to override the will of the people in this matter, having the lives, liberty and prosperity of the district at stake.

## A Beautiful Valentine.

St. Valentine's greeting to all who love to snuggle close to Nature's heart—a beautiful creation in water color, with a 1904 bicycle girl for its center, her bloom of rosy health happily blending with the sunshine of an opening spring. If you want one free just drop postal to Pope Manufacturing Company, Hartford, Conn., or Chicago, Ill.

## A Cure for Eczema.

My baby had Eczema so bad that its head was a solid mass of scabs, and its hair all came out. I tried many remedies but none seemed to do any permanent good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scabs are gone and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Witch Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co. is on every box. Sold by all druggists.

## LEE CITY LOCALS.

Elb Allen's child is very sick at the present writing.

Tricky Tom Tharp is able to go all over town and thinks he will be well in a few days. He says that the people are wasting their powder and lead when they are shooting at him, and they can put him in the plugline but can't kill him.

We had a visit of the Odd Fellows from Campton recently. They took twenty-six members through the encampment, and H. H. Miller says they rolled them on the boards and kept such a noise he did not sleep many winks. They had a good time while here.

Squire Shockey fined Pat Hager \$25 and ten days in prison for carrying a pistol, and turned him over to R. A. Dunn. He tried to run off and Dunn fired a 45 under his feet and scared him until he came back and he put him in the lock-up in Lee City. He broke out and got away.

We have had a big court in Lee City this week. J. E. Morris was appointed Police Judge under the new board of trustees on the 2d day of February, and his first court set promptly at 10 o'clock. Judge Morris took his seat as if he was President of the United States, and gave three raps on his table and said: "Gentlemen, I am the court; we want order." Curt Holton, A. R. Graham and Joe Tucker were arraigned. The first two were dismissed and the third fined \$25 and cost and ten days in jail, and the imprisonment suspended.

  2. Send 50 cents for The Sunny South one year and with it ONE ESTIMATE in the contest.

If you wish to make a number of estimates on this basis, you may send THREE ESTIMATES FOR EVERY \$1.00 forwarded at the same time estimates are sent. If as many as ten estimates are received at the same time without subscriptions, the sender may forward them with only \$3.00—this splendid discount being offered for only ten estimates in one order. Where subscriptions are ordered, THE ARRIVAL OF THE PAPER ITSELF IS AN ACKNOWLEDGMENT THAT YOUR ESTIMATE HAS BEEN RECEIVED AND IS CAREFULLY RECORDED.

## THE NEW YORK WORLD

Thirteen-Week Edition.  
Read Wherever the English Language Is Spoken.

THE Thirteen-Week World was a brilliant success in the beginning and has been steadily growing ever since. This is the best of all things, and has its seat of operations on the Thine a Week World, which is widely circulated in every State and Territory in the Union, and where there are people who can read and understand English.

This paper for the coming winter and the year 1904, will make its news service, if possible, more extensive than ever. All events of importance, no matter where they happen, are reported accurately and promptly.

The subscriber, for only one dollar a year, gets three papers every week and more news and general reading than most great dailies can furnish at five or six times the price.

The Thirteen-Week World is absolutely fair in its political views. Partisan bias is never allowed to affect its news columns, and Democrat and Republican alike can obtain in its pages truthful accounts of all the great political campaigns.

In addition to news, it publishes first-class serial stories and other features suited to the home and fireside.

The Thirteen-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers.

—We offer this unequalled news—\$1.50 paper and The Herald 1 year, for

**WANTED—TRUSTWORTHY LADY**  
Gentleman to manage business in this county and adjoining territory for house solid financial standing. \$20.00 straight cash salary and expenses paid each Monday direct from headquarters. Expense money advanced; position permanent. Address manager, 905 Monon Building, Chicago.

## Impaired Digestion

May not be all that is meant by dyspepsia now, but it will be if neglected. The uneasiness after eating, fits of nervous headache, sourness of the stomach, and disagreeable belching may not be very bad now, but they will be if the stomach is suffered to grow weaker.

Dyspepsia is such a miserable disease that the tendency to it should be given early attention. This is completely overcome by

**Hood's Sarsaparilla** which strengthens the whole digestive system

## THE HERALD.

Mrs. Annie Lacy, wife of Cur Lacy, has the measles.

Joe Rose last week sold to John Brown two work mules for \$220.

John Brown bought a mule from Jeffrey Rose, of Lacy creek, for \$90.

Jeff M. Rose sold to Allison Rose a 3-year old harness mare for \$120. Jeffrey says she is a dandy.

**THE BEST** medicine you can take to rid yourself of humors and clear your complexion, is Hood's Sarsaparilla—it's also **THE CHEAPEST**

Hiram Patrick on Monday removed from the Hi Greer farm, on Grassy, to his farm on the Middle fork of Licking.

Jordan Wills, of Lacy creek, on Monday moved to Hazel Green, and now occupies the property he bought of Emory James.

Milt Lykins has rented the old Hi Greer farm, on Grassy, and on Monday moved into the house that day vacated by Hi Greer.

**To Cure a Cold in One Day**  
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

Ponder Spencer, of Tabor, Menifee county, was visiting the family of his father-in-law, Erastus Brooks, and left for home Monday.

Jim Cassell, his wife and all of their children, numbering seven or eight, are down with the measles at Cassell postoffice in Morgan county.

Emory James and wife left on Tuesday for Bushton, Ill., where they will in future reside. En route they will visit Andy James and family, of Montgomery, for a few days.

**Nearly Forfeits His Life.**  
A runaway always ending fatally, started a horrible ulcer on the leg of J. B. Omer, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for burns, bruises, skin eruptions and piles. 25c. at all druggists.

Jim Little, of Blackwater, has traded his farm to Kelse Murphy and Frank Oldfields for their store and stock of goods at Maytown. The deal was made some two weeks ago, but just learned here.

Ben Murphy came in Monday to bring us a new subscription, Geo. E. McGuire, of Bonny, and he incidentally told us that he would that day start to ML Sterling with 70 head of cattle and six mules.

## CASTORIA

For Infants and Children.  
The Kind You Have Always Bought  
Bears the Signature of *Chas. H. Fletcher*

Being a neighbor, Mitch Campbell took advantage of the crowd attracted to Emory James's sale on Saturday last and disposed of all his effects. On Tuesday he and his wife left with Mr. and Mrs. James, their destination being the same point, viz: Bushton, where they will also make their home in future.

Hen. H. F. Pieratt spent from Saturday afternoon until Monday morning with his family. He is enjoying good health, having gained 14 pounds in weight, and "Caw" climate evidently agrees with him.

Subscribe for THE HERALD and Courier-Journal, \$1.00 a year.

Jeff Crucey, who lived on Red river between this place and Daysboro, has taken a logging contract at Chimney Top in the northwest part of the county on Red river, and on Monday moved his family to that point.

**Mysterious Circumstance.**  
One was pale and sallow and the other fresh and rosy. Whence the difference? She who is blushing with health uses Dr. King's New Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25c. at all druggists.

Wash Swango, of Maytown, last Tuesday week lost a valuable mare on Devils creek. He put her in Jonas Taulbee's barn and the next morning found her choked to death by hanging in the manger. He had refused \$120 for her.

**New Idea Magazine for March.**

Of especial interest to the readers of this progressive periodical will prove the first of a series of "Brief Business Talks for Women," by Katharine Louise Smith, in the March number. Her hints to her fellow-women for a better knowledge in the care of money will prove of exceeding value to those who heed them. "The Vicereine of India," as presented by Waldon Fawcett, deals with the remarkable success of that beautiful American woman, Lady Curzon. Articles appropriate to spring in the house and garden are "Flowering Plants for the Window Garden," by Eben E. Rexford; "Raising Mushrooms for Profit," by Madeline Reilly; and "Gardening Under Mullen," by George Ethelbert Walsh.

## PROFIT

The matter of feed is of tremendous importance to the farmer. Wrong feeding is loss. Right feeding is profit.

The up-to-date farmer knows what to feed his cows to get the most milk, his pigs to get the most pork, his hens to get the most eggs. Science.

But how about the children? Are they fed according to science, a bone food if bones are soft and undeveloped, a flesh and muscle food if they are thin and weak and a blood food if there is anemia?

Scott's Emulsion is a mixed food; the Cod Liver Oil in it makes flesh, blood and muscle, the Lime and Soda make bone and brain. It is the standard scientific food for delicate children.

Send for free sample.  
Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.  
**Scott & Bowne**  
CHEMISTS,

## Have You Indigestion?

If you have indigestion Kodol Dyspepsia Cure will cure you. It has cured thousands. It is curing people every day—every hour. You owe it to yourself to give it a trial. You will continue to suffer until you do try it. There is no other combination of digestants that digest and rebuild at the same time. Kodol does both. Kodol cures, strengthens and rebuilds. Sold by all druggists.

Crockett Coldiron and Kelse Nickell have a logging job on Caney and have been boarding in the neighborhood. They left here on Monday, however, prepared to keep house, Kelse to have charge of the culinary department and Crockett to be milkmaid.

**Escaped An Awful Fate.**  
Mr. H. Haggins of Melbourne, Fla., writes: "My doctor told me I had consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and owe all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases by all druggists. Price 50c. and \$1.00. Trial bottles free.

Uncle John D. Rose, Lacy creek, took quite an outing the other day, spending Friday with his daughter, Mrs. O. W. Cecil, Saturday with his daughter, Mrs. E. F. Cecil, and Sunday afternoon and night with his granddaughter, Mrs. H. F. Pieratt, where he talked until late at night with Representative Pieratt on the issues of the day.

**An Early Riser.**  
A strong, healthy, active constitution depends largely on the condition of the liver. The famous little pills known as DeWitt's Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by all druggists.

The Antikamnia Chemical Co., St. Louis, Mo., has placed us under obligations for one of their 1904-calendars, which as a faithful reproduction of Getty's masterpiece stands pre-eminent for attractiveness, sweetness and beauty, among the calendars published this year. Confidence is the subject, and the picture is handsome enough to adorn any parlor, albeit ours was slightly injured in the mails. On receipt of 10 cents in stamps they will mail any of our readers this picture calendar, and everybody who loves the beautiful should try and get one. They also have our thanks for a vest-pocket case of Antikamnia, their popular-panacea.

**Better Than Gold.**  
"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicine I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by all druggists.

## State College of Kentucky.

THE AGRICULTURAL AND MECHANICAL (State College) College of Kentucky offers the following courses of study, viz: Agricultural, Horticultural, Chemical, Biological, Mathematical, Physical, Normal School, Classical, Mechanical Engineering, Electrical Engineering, Civil Engineering, each of which extends over four years and leads to a degree. Post Graduate studies are also provided, leading each to a Master's degree. Each course of study is organized under a separate faculty. The general faculty numbers more than 50 professors and instructors.

COUNTY APPOINTEES receive tuition, room rent in dormitories, fuel and lights, and if they remain 10 months, traveling expenses.

The laboratories and museums are large, well equipped, comprehensive and modern.

The Legislature appropriated \$60,000 for a College home for young women and \$30,000 for drill hall and gymnasium for men. The latter is completed and in use, the former will be ready for occupancy in October.

Military tactics and Science are fully provided for as required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the College to supply. Last year the matriculation list was 604.

Summer schools are provided for Pedagogy, Engineering and instruction in Science.

Specialists with the necessary number of assistants have charge of each department of Natural Science.

The State College of Kentucky, though bearing hitherto the title of College, is the only institution in the Commonwealth doing, in any proper sense, University work.

The completion of the College Home for young women will provide facilities for good board and lodging. It is equipped with all modern conveniences including bath rooms and room for physical culture. It will be heated by steam and lighted by electricity.

An opportunity is afforded to them of a thorough education in Classics, Modern Languages, Literature, Science, Mathematics, Logic, Metaphysics, History and Political Economy. No other institution in the State offers advantages for the education of women at all comparable to those offered by the State College of Kentucky.

## Dragging Pains

2825 Keeley St.,  
CHICAGO, ILL., Oct., 2, 1902.  
I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

*Maudie Bush*

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

BEST NEWS

The depot at Wilhurst, on the O. and K., got burned up last week.

John C. Tolson and ye editor went to Breathitt last week on business.

Attorneys A. H. and G. B. Stamper went to Lee City last week on legal business.

W. L. Byrd and wife paid the parents of the latter a visit Saturday and Sunday.

The Red River Oil Company has secured some valuable oil territory and will do some drilling in a short time.

B. N. Spradling, of Glencairn, has been assigned to duty as storekeeper-gauger at the B. F. Harris distillery at Vortex.

J. H. Stamper, Jr., has disposed of a nice line of underclothing, and is now devoting his time to the oil business altogether.

Dr. H. H. Stamper has purchased a new horn, and, no doubt, he will be able to "toot" Democracy's retreat next November.

R. L. Athy visited in the Bethel neighborhood last week. He says the "Lady of the Lake" is there, but his love is like unto "Paradise Lost."

J. A. Sewell, of Lane, was here last week to take in and size up the Campton Oil Field, which now seems to be the Oil Klondike of Kentucky.

Since our last issue Willie Drake has quietly taken unto himself a wife in the person of Miss Pearl Bolin, daughter of George Bolin, of this town.

Prof. Dewitt Taylor has erected a nice little cottage building on the west side of town. It is now occupied by Rolla Bailey. More houses will soon go up in town.

W. H. Crawford and J. H. McKeever, two drillers in the employ of the Wolfe County Oil and Gas Company, left here last week for Clarion and Menhall, Pa., to pay their families a visit. They will return to the Campton oil field in a few weeks.

Judge J. W. Congleton has been superintending the construction of a very substantial bridge across one of our streams. The Judge

would make an excellent town trustee, and as he is rated in the thousand-dollar mark-of-fitness, it is a wonder he did not appoint himself as one.

Hon. C. F. Combs, who is now considering the advisability of announcing himself a candidate for matrimony, has secured the contract of Uncle Sam to carry the mail from here to Torrent. He may make a good mail carrier, but is considered a slow and doubtful horse in the race for matrimonial honors.

One of the best wells of the oil field here was recently brought in by the Wolfe County Oil and Gas Co. It has been pumped and tested and proves a daily production of 48 barrels. Quite an extensive area here has been established by the drill as oil territory. The production is already sufficient to get a pipe line, which is only a matter of short time. Drilling is being pushed. Other wells are due to come in next week, which will further establish the extent of the territory. Indeed, the Campton oil field seems to be the coming oil Klondike of Kentucky. Out of thirteen wells drilled only three are pronounced dusters, and by some oil men it is thought these three will be producers by drilling to the second sand. The oil is of extra high quality, and will command about \$1.50 a barrel. There is plenty of territory in close proximity to develop oil territory not yet taken up. Here is the place to "make your money back" in the oil business. Come one, come all!

## WATER IN A SIEVE

"PUMPING water into a sieve." Of course it runs through. If you stop up the holes? People frequently try to cure disease in the same way. Instead of curing the cause, they merely weaken, run down condition. When you feel tired, nervous, lose appetite, do not sleep well, lack energy, have a sallow, yellowish skin, something is decidedly wrong. The organism has become clogged with impurities, which instead of passing away, enter the blood and are carried to all parts of the system. You fall an easy prey to fevers, chills, and many serious diseases, because the liver and other organs are inactive, and do not work properly. PLANTERS' combination of health-giving roots and herbs, will cleanse and purge the system of every impurity, and restore strength and renewed activity to liver, kidneys and every other organ. It infuses new vitality, makes you whole, some blood, and fortifies against diseases. At all druggists, or sent postpaid by us, 25c. per package, 5 packages \$1.00. Sample and booklet free. Spencer Med. Co., Chattanooga, Tenn.

## It's This Way

YOU ARE SURE TO DIE. IT IS NOT A VERY PLEASANT THOUGHT, BUT TRUE. You know as well as any that you need insurance—that you have intended taking it, but you haven't taken the time. Just stop and think!

You Will Be Gone a Long Time When You Die. Go, and Your Family Will Need Three Months' Pay. Just the way they do now.

Perhaps you haven't the time to grant an Agent an interview, but it won't take you hardly any time to read over a SIMPLE POLICY that I will make out for you at your agent's MAIL you if you will write for blank and tell your age. NOW is the time to act—tomorrow may be too late. TODAY and NOW, is the time.

Yesterday WAS. Today IS. Tomorrow—WHO KNOWS?
